OR SHVARTZ

Performance Marketing & Technical Growth Lead | PPC, Measurement & AI Automation

Petah Tikva, Israel | or.shvartz70@gmail.com | +972-50-218-6338
Portfolio: https:/digitalab.co.il/portfolio/?capability=performance

SUMMARY

Hands-on Performance Marketing and Technical Growth Lead with 10+ years of experience managing paid acquisition across Google, Meta, TikTok and Microsoft. Managed budgets ranging from SMB accounts to portfolios exceeding ILS 2M per month, combining campaign strategy with measurement, conversion optimization and automation. Built internal optimization systems and AI-assisted workflows that improved decision-making, reduced operational workload and contributed to performance gains of up to 3x lower cost per conversion.

EXPERIENCE

Independent Growth & Performance Marketing Consultant | Digitalab

Sep 2025–Present

- Advised four businesses across e-commerce, legal services and application launches on PPC, go-to-market strategy, funnel performance and conversion optimization.
- Managed Google and Meta campaigns, combining hands-on acquisition with tracking, landing-page analysis and AI-assisted optimization.
- Built and launched CaseEdge, a B2B legal-tech product that attracted dozens of real users and converted its first paying customers.

Media Innovation Specialist | K Logic

2025

- Managed Cellcom's PPC activity end-to-end, including campaign structure, optimization, budget pacing, performance analysis, reporting and stakeholder communication.
- Developed AI-assisted workflows and operational tools that helped paid media teams analyze performance and act more efficiently.
- Combined hands-on campaign management with experimentation, automation and scalable optimization processes for enterprise-level activity.

PPC Team Lead & Marketing Technology Lead | Boroda Kaplan

2022–2025

- Led PPC strategy, optimization, quality control and professional guidance across major accounts, including Walla Shops, American Laser, The Technion, Kibbutzim College, AVIS and Gindi.
- Built and developed ROI Me / Budget Watch, an internal optimization platform supporting campaign analysis, budget allocation, anomaly detection and testing decisions.
- Contributed to record performance across multiple accounts, including reductions of up to 3x in cost per conversion within large advertising portfolios.
- Trained and mentored PPC professionals, participated in recruitment and served as a senior escalation point for campaign strategy, measurement and execution.

Full-Stack Developer & PPC Specialist | Full Power

2021–2023

- Managed paid acquisition while building internal dashboards, reporting tools and automation systems for campaign monitoring and operational efficiency.
- Connected campaign strategy with technical implementation, including tracking, APIs, data workflows and performance reporting.
- Helped teams identify issues faster and make better optimization decisions through improved visibility and automation.

Independent PPC & Growth Specialist

2013–2021

- Managed paid acquisition for agencies, SMBs, e-commerce businesses and multi-market companies across Google and social platforms.
- Led a major performance project for Nir Dovdevani and managed international activity for a cybersecurity company operating across six markets.
- Specialized in lead generation, e-commerce growth, campaign scaling, CPA reduction and return-on-investment improvement.
